Subject: Reviewing Bunker Hill Documents

February 4, 1999

Cami, Patty, Sean, Earl, Ted and Nick:

I will be distributing to your desk today the last Bunker Hill mine water document for your review and comment: Cost/Benefit Analysis - Surface Water Diversions. As with the previous documents, I would appreciate your comments by Friday, February 19th. Please let me know if that will not work for you.

Mary Kay

P.S. Earl, Jim Stefanoff is sending you a copy directly.
